

LARRY W. SOULERET, P.E., P.L.S.

Mr. Souleret has over 40 years experience in the field of civil engineering and surveying with LeHigh Portland Cement Company; Michael Baker, Jr., Inc.; Moore, Souleret & Associates; and Lennon, Smith, Souleret Engineering, Inc. (LSSE). Since 1987 with LSSE, he has served as Principal in Charge for work performed by the firm's Civil-Municipal, Civil-Site and Surveying Units.

Mr. Souleret has served as Project Manager for various civil engineering projects where he had ultimate responsibility for the work performed by multidisciplinary project teams. The activities performed by the engineers, designers, surveyors, and technicians under his direction included studies and detailed design of the following project types: municipal engineering; commercial, residential, industrial and recreational site evaluation and development; surface drainage control; airfields; roads and streets; mine facilities; mine reclamation; water distribution and treatment; wetland delineation and reconstruction; and environmental permitting.

Mr. Souleret routinely represents LSSE's services under multiple municipal retainer service contracts. Typical projects include annual municipal roadway programs, stormwater facilities, sanitary sewers, municipal infrastructure upgrades and parks and recreational facilities.

Under Mr. Souleret's direction as Principal in Charge of LSSE's Civil-Site Engineering Unit, the firm has recently provided site design services for over 30 large commercial "big-box" sites, residential sites comprising over 3,500 housing units and unique, mixed-use commercial/recreational sites.

Mr. Souleret's survey experience includes both field and office on large and small property surveys requiring title review, evidence and procedures for boundary location and expert witness services for municipal boundary disputes.

Managing Principal /
Vice President

EDUCATION

- Associate in Surveying Technology, The Pennsylvania State University, 1967
- B.S. in Civil Engineering, Geneva College, 1978
- Stormwater Management Symposium, The Pennsylvania State University, 1985
- HEC-1, The Pennsylvania State University, 1986
- Wetland Delineation Courses, 1991, 1993, 1994, 1995

PROFESSIONAL REGISTRATION

- Professional Engineer, Pennsylvania, 1977 (26325-E)
- Professional Engineer, Ohio, 1998 (E-62156)
- Registered Land Surveyor, Pennsylvania, 1977(25777-E)

YEARS EXPERIENCE

Total	-	42
LSSE	-	23
